8. Mailchimp Vendor Email Trigger – starts at \$39.90/year for a Single-site license

Product Link: <https://www.pluginsandsnippets.com/downloads/mailchimp-vendor-email-trigger/>

Example Affiliate Link: <https://www.pluginsandsnippets.com/downloads/mailchimp-vendor-email-trigger/ref/bestaffiliate/>

The MailChimp Vendor Email Trigger lets you add each new vendor registration to your Mailchimp Email list and flags each vendor as such. The standard EDD Mailchimp Plugin registers only customers but not vendors. This plugin, therefore, solves this gap and ensures also all of your new vendors are added to your MailChimp list and are flagged as such.

This Plugin is for the Vendor Registration Process of Easy Digital Downloads and lets you add each new registration automatically to a Mailchimp Email List.

Key Features:

- Automatically adds each new vendor registration to your Mailchimp Email list
- Flags each vendor in your Mailchimp Email list
- Trigger an email automation workflow for your newly added vendors
- Ideal for Digital Product Marketplaces

The screenshot shows the Mailchimp 'Flag as NEW Vendor' workflow configuration interface. At the top, there's a header with a user profile icon, the title 'Flag as NEW Vendor', and navigation links for 'Help', 'Send a Test Email', and 'Save and Exit'. Below the header, there are buttons for 'Pause All Emails' and 'Edit Workflow Settings'. The main content area is divided into two sections: 'Workflow recipe' and 'List name'. The 'Workflow recipe' section shows a trigger: 'Trigger: Immediately after a subscriber's list field, Vendor, changes to NEW - Edit trigger'. Below the trigger, there's a card for 'Vendor #1' with a 'Paused' status, 'Edited 2 months ago by you', and statistics: '38.5% Open rate', '0.0% Click rate', '0 Queue', and '14 Subscribers'. The card also shows 'Schedule: Every day, all day - Edit schedule', 'Segment: None - Edit segment', and 'Action: None - Edit actions'. At the bottom of the card, there's an 'Edit Email' button. Below the card, there's a bar with 'Edit Trigger', 'Cancel', and 'Update Trigger' buttons. The bottom section is titled 'Changed list field to value' and contains a description: 'A subscriber's list field changes to a specific value, on your list, [redacted]'. Below this, there's a 'Change trigger' link and a table with 'Delay' and 'Settings' columns. The 'Delay' column has a dropdown menu set to 'Immediately'. The 'Settings' column has a dropdown menu set to 'Vendor' and a text input field containing 'NEW'.
